O R D E R:-

The APGENCO/APPDCL/Independent Power Producers are sending proposals to Government for issuing Essentiality Certificates for import of several goods required for their Power Generation Plants and also to recommend the same to the Customs Departments situated in various places of the country, for obtaining concession on customs duty applicable for power projects against Customs Notification 21/2002 under Project Import Chapter 98.01.

2. Accordingly, as per procedure in practice, the proposals are being considered and Essentiality Certificates are being issued to the Customs Authorities concerned with due attestation by the sponsoring authority of Energy Dept. to facilitate project developers in availing customs concession on the goods required to be imported to the Power Projects, in terms of the notification.

3. A number of power plants are coming up in the State and good number of proposals from developers are expected. With a view to expeditiously and properly process such applications, Government have decided to constitute a Committee to scrutinize the proposals received from the APGENCO/ APPDCL/Independent Power Producers for issuing the Essentiality Certificates for availing concession of customs duty on the import of goods required to their power plants.

4. Accordingly a Committee is constituted with the following officers:

- 1] Director (Projects), APGENCO
- 2] Director (Technical), APGENCO
- 3] A nominee from APTRANSCO
- 4] D.S./Jt.Secy./Addl.Secy./OSD, Energy Dept. as Convener.

5. The above Committee shall scrutinize the proposals, regarding need of the material proposed to import for the power plants, quantity of the material and other important technical aspects etc.

6. The Convener of the Committee shall conduct meetings timely and submit the recommendations of the Committee to the Secy./Prl. Secy to Govt., Energy Dept. for taking further action in the matter.
